#### Cocoon Childcare

Cocoon Childcare aim to provide the highest quality of childcare available in Ireland. The group has seven centres caring for 700 children, with excellent facilities, carefully selected, trained staff, and rigorous standards of safety and practice. Meals are freshly prepared and approved by a consultant nutritionist, and parents are offered a unique 'Watch Me Live' internet viewing facility.

Cocoon plan to open seven new centres in 2007, for children aged 3 months to 5 years, on a full and part-time basis, some with after-school care. LoCall 1850 COCOON or visit [www.cocoonchildcare.ie](http://www.cocoonchildcare.ie)
