

COCOON CHILDCARE LAUNCHES SPECIAL OFFER IN ADVANCE OF EXPANSION!

Cocoon Childcare has launched a special offer for new bookings made before March 31st 2007.

The promotion offers customers a choice of one month free or 10% off their fees for the year.

Places are subject to availability at each centre but according to Cocoon Childcare's Managing Director, Robert Buckley, "there is no overall limit to the number of places we will give the discount on. It is simply a matter of first-come, first-served. We are offering the discount until the end of March but it applies to places that will be taken up within the next 12 months, so it will suit mums-to-be, as well as parents currently looking for childcare."

The special offer is part

of a marketing campaign to promote Cocoon Childcare's new centres opening in 2007 but the offer also applies to bookings made for any of the group's existing centres, where places are available. Cocoon Childcare currently operates in Artane, Blessington, Kimmage, Naas, Rathfarnham, Sallins and Tallaght. The group employs 130 staff and cares for just over 700 children.

In 2007, Cocoon Childcare plans to open numerous new centres throughout Leinster, the first of these being Newcastle, Co Dublin, in the spring. The group will continue its expansion later on in the year launching new centres in Clonsilla, Citywest, Balbriggan and Ashbourne.

Each new centre will follow the same model as Cocoon Childcare's existing locations, with modern, purpose-built facilities, experienced, qualified staff, and the highest standards of safety, security and practice.

Cocoon caters for children aged 3 months to 5 years on a full and part-time basis, with some centres providing after-school care.

Cocoon Childcare's Tallaght centre is located beside the Spar in Marlfield Mall, just off the New Link Road.
